

ABOUT US...

Shriji Construction, Inc is a well known company headquartered in Elk Grove Village, IL, that provides construction services to commercial and residential clients around the city of Chicago. Whether you come to us with a just an idea or with a fixer-upper needing complete revamp and restoration, we are equally adept with our resources and expertise to provide you the most creative and customized solutions for all your construction needs.

The scope of our work ranges from general contracting and consulting services to planning, interior/exterior designing and ground-up building. We focus on the big picture right from conceptualizing the project, estimating the cost, panning out resource allocation to the actual construction process involving time and resource management, supervision and evaluation. We are committed to helping you achieve your vision and to give you an absolutely rewarding experience for having chosen us.

Why are we different? Why Choose Us?

- Excellence In Quality - World-class quality in both workmanship and materials is the key to our projects.
- Deadline Driven - Delivering a project in a time-bound manner is our way of showing our clients that we are dedicated.
- Customized Approach - While we undertake a wide variety of projects, it's our personal touch and customized approach that seals a life-long relationship with our clients.
- Trustworthy - "Building on trust" is the very motto we always stand by.

Our approach and values are the reasons why we've been able to complete 35 projects in just under 3 years.

OUR PORTFOLIO...

BUILDING ON TRUST

Creative Solutions For Your Building Projects

600 E. Higgins Rd
Suite 2B

Elk Grove Village, IL 60007

P: 630.847.9000

F: 847.241.0072

E: info@shrijiconstruction.net

We've turned dreams into reality and constructed buildings to match architect renderings. Just bring us your ideas and we will help you from the initial planning stages to getting occupancy of your project. Our ground-up construction includes projects that range from 40,000 ft² temple on a 4.1-acre site with an asphalt parking lot, a 2-acre dental clinic with a 6000 ft² facility with a 140 space concrete parking, and a truck stop gas station situated on a 4-acre site with a 2-acre concrete parking lot and a 7500 ft² food mart.

From renovating a 3-story, 102 room hotel to building out a 6000 ft² strip mall space into a swimming school with an 1800 ft² pool...we've done it all. We tend to specialize in restaurant build-outs and have completed over 11 eateries in just under 2 years.

Homes are one of the most important aspects of everyday life since they reflect our tastes, values and needs. If you're looking for remodeling an existing house or wanting to build a new one, then we can help. We've done room additions, remodels, and repairs throughout Chicagoland. We've also built a 15,000 ft² ground-up custom home with many high-end custom features.
